

Learning Care Group Open Access: How to find out-of-network licensed child care centers

<u>Step 1</u>

The link on the **Find Licensed Child Care** tab will take you to an external website, **ChildCare.gov**. From there, select your state in the dropdown box and click **Submit**. Then select **Find Child Care Now in (your state)**.

Step 2

On your state's website, locate the link to search for licensed child care centers. Enter your search criteria and search for local providers (each state's website will be formatted differently).
